'PHARMA-SEARCH' NATIONAL WORKSHOP ON DRUG EVALUATION

Theme :
Application of Preclinical,
Clinical & Regulatory Aspects

on September 23rd & 24th 2016

Venue :

A J AUDITORIUM,
AJ Institute of Medical Sciences
& Research Centre, Mangaluru, Karnataka

(Applied for KMC Credit hours)

Greetings from Organizing team (PHARMA-SEARCH Workshop)

Effective training for researchers is imperative; forming the basis and conduct of all aspects of the research process.

On realising this need, our Department of Pharmacology, AJ Institute of Medical Sciences & Research Centre, has meticulously planned a Two day workshop covering various aspects of Drug Evaluation.

Under the aegis of the Indian Pharmacological Society, the workshop aims for quality based training, where delegates attend insightful lectures; preceding rigorous step-by-step demonstrations and interactive sessions.

Day 1 of the workshop will include demonstrations on plant Extract preparation, toxicology studies and various Preclinical Screening methodologies.

Day 2 of our workshop will have team based training in mock Clinical Trial; across all stages in regulation and conduct.

The workshop will also include oral & poster sessions giving an opportunity for researchers to share results of their studies.

All lecturers and demonstrations will be spearheaded by experienced resource persons from academic, regulatory and industry backgrounds.

We cordially invite you to our wonderful city of Mangaluru, Karnataka on the 23rd and 24th of September 2016 for an immersive and interactive learning experience.

Kindly register at the earliest as there are limited slots for delegates.
