INVITATION

We have immense pleasure to invite you to the Fourth Edition of "ONE DAY" Scientific Fiesta "SPECTRUM-2015", a Symposium on Cardiovascular Therapies and Research Update - Mangalore, to be held at "The Ocean Pearl", Kodialbail, Mangalore on Saturday, 10th January 2015.

This year the program focuses on both "Interventional & Non-interventional Cardiology"

This programme includes Panel Discussions, Lectures, Interactive Sessions, Debates & ECG Quiz. Electronic voting pads will be given during ECG Quiz. PG's can send E-posters. Winners of E-posters & ECG Quiz will be awarded "Cash Prize" Previous evening Cath-Cases will be discussed with international faculty.

This will be a wonderful opportunity for all of us to interact, deliberate and share our experiences and thus help us in reaching higher level of professional excellence.

We are happy to announce that Karnataka Medical Council has awarded us "Two Hours" CME CREDIT Points for this meeting which will be helpful to all the delegates.

With warm regards,

Truly yours,

Dr. B. V. Manjunath
