

LECTURE SCHEDULE FOR 1st MBBS (2018-19)

Month Of October

General Anatomy

| Sl. No | Topics | Date | Time | Teacher |
|--------|--|----------|-------|-----------------------------|
| 1 | Palm – cutaneous innervation, palmar aponeurosis, (brief), superficial & deep palmar arches. | 3-10-18 | 10-11 | Dr. Balakrishna Shetty |
| 2 | Fascial spaces of hand incl. pulp space & applied Anatomy; Median cubital vein, cephalic&basilica veins | 4-10--18 | 10-11 | Dr.Ajay Udyavar |
| 3 | Median nerve & course, distribution, Flexor Retinaculum,Carpal tunnel syndrome; Ulnar nerve-course, distribution | 5-10--18 | 9-10 | Dr. Vikram S |
| 4 | Histology 4; Muscle tissue | 5-10-18 | 12-1 | Dr. Praneetha Shetty |
| 5 | Radial nerve – course, distribution, applied anatomy, Ext. Retinaculum | 6-10-18 | 10-11 | Dr. Prashanth K U |
| 6 | Radio- ulnar joints, Wrist joint (inclg applied ana.)Fascia Lata, Ilio-tibial tract, Quadriceps femoris | 9-10-18 | 10-11 | Dr. Sweekritha Shetty |
| 7 | Front of the thigh—Sup. inguinal lymph nodes, Fascia lata, Ilio-tibial tract, Quadriceps femoris | 9-10-18 | 9-10 | Dr. Ajay Udyavar |
| 8 | Femoral triangle - boundaries & contents (in brief), Femoral artery; Femoral sheath (incl. Femoral hernia | 11-10-18 | 10-11 | Dr.Pranup Roshan Quadras |
| 9 | Adductor canal; Adductor muscles (in brief);Obturator nerve | 12-10-18 | 9-10 | Dr. Praneetha Shetty |
| 10 | Histology 5; Blood vessels | 12-10-18 | 12-1 | Ms. Vidya R Pillai |
| 11 | Gluteus Maximus; Glu. Medius&minimus | 13-10-18 | 10-11 | Dr. Sanjay Kumar B Revankar |
| 12 | Hip joint | 16-10-18 | 9-10 | Dr. Vikram S |
| 13 | Sciatic Nerve – course, distribution, applied anatomy Hamstrings | 17-10-18 | 10-11 | Dr. Balakrishna Shetty |
| 14 | Histology 6; Nervous tissue (inclg. Ganglia | 20-10-18 | 10-11 | Ms. Vidya R Pillai |
| 15 | Popliteal fossa -boundaries & contents (in brief), Tibial Nerve, Tendocalcaneus.(Muscles of the back of leg to be studied during dissection practicals | 23-10-18 | 9-10 | Dr. Sweekritha Shetty |
| 16 | Knee joint | 24-10-18 | 10-11 | Dr. Prashanth K U |
| 17 | Common peroneal nerve, Superf. & deep peroneal nerves, Retinacula around ankle | 25-10-18 | 10-11 | Ms. Vidya R Pillai |
| 18 | Cutaneous innervations of foot (both dorsum and plantar aspects), Arteria Dorsalis Pedis; Sole (in brief) | 26-10-18 | 9-10 | Dr. Sanjay Kumar B Revankar |
| 19 | Histology7:Lymphatic tissue- Lymph node, Spleen, tonsil, Thymus | 26-10-18 | 12-1 | Dr.Pranup Roshan Quadras |
| 20 | Ankle joint (in brief); Subtalar jts (in brief, inclg. Inversion & Eversion), Venous drainage of L. limb (inclg. Gr. Saph. Vein | 27-10-18 | 10-11 | Dr. Praneetha Shetty |
| 21 | Histology: Glands | 30-10-18 | 9-10 | Dr. Prashanth K U |

| | | | | |
|----|--|----------|------|------------------------|
| 22 | Gen. Embryology: Spermatogenesis, Oogenesis | 31-10-18 | 12-1 | Dr. Balakrishna Shetty |
|----|--|----------|------|------------------------|

Prof. & HOD
